GACE Flying Club Inc.

2099 Smithtown Avenue, Ronkonkoma, NY 11779-7324

GENERAL MEMBERSHIP MEETING MONDAY JUNE 26, 2017

Sheltair pilot lounge (behind the GACE office)

From The Left Seat

Jeff McArthur

FROM THE LEFT SEAT: The Club wishes to Congratulate Metodi Filipov, Frank Erbio (Private Pilots Now) and Rakesh Patel (Instrument Rating) and their flight instructors Kevin Doolittle and Robert Terano. Great Job guys!

The Club also wishes to "Welcome Aboard" new members; James Hudson, Rosie Dimola, Austin Ingalls & Paul Southard. Thanks to our membership Chairman, Mark Goodman! Membership duties are not easy and TIME CONSUMING!

The Plane Wash Dates are 6/10/17, from 9:00am-2:00pm; 7/29/17, from 9:00am-2:00pm; & finally, 9/16/17, from 9:00am-2:00pm. As always, functions, work, etc.) therefore we will be serving coffee and bagels for the morning crowd and a BBQ for the afternoon members. Bring the wife, kids, family dog and friends!

Both aircraft are up and airworthy. The 2017 flying season is in full swing now, so fly safely and have a good time.

There are some suggestions on the office bulletin board for 'fly-out' destinations. Massachusetts has two good family friendly places; the 1830s Farming Community (still in operation), and Plymouth Village. Both will take approximately 4 to 4 1/2 hours to tour. Also on the Board is the new (free entry and parking) WWI museum just outside of New Haven Airport. I will be flying there and check it out.

Safe flying,
Jeff
